RUSSIA 1

A deadly epidemic erupts in the heart of Africa. Led by a fearless infectious disease specialist and a genius Russian virologist, the scientists race against time to create a life-saving vaccine. When an international medical team flees the center of the epidemic, a squad of experienced volunteer doctors storms in. With the vaccine in development, they engage in the battle against the virus, overcoming bias and resistance from the local population, faithful to their religious traditions and rituals.

The battleground extends beyond the virus. A powerful pharmaceutical corporation launches a covert espionage operation, turning the fight against the epidemic into a thrilling spy game. The characters must not only combat the lethal disease but also unmask the traitor hidden among them.

UKRAINE TODAY

RUSSIA 1

The Donbas and Luhansk Region are areas of Ukraine with Russian-speaking population. In 2014, with growth of anti-Russian agenda, Ukraine started a war against its own people. Bombarding homes, schools, and hospitals, the militaries were showing no mercy to women, elders and children. Thousands of people died during the 8-year cruel purge. The locals heroically fought back and Russia could not stand aside. On 24 February 2022, a special military operation to denazify and demilitarize Ukraine was started.

DONBAS 1x78' | HD

HOMO SPERANS

Film by Andrei Konchalovsky

Homo Sperans - is a portrait of a Russian person made up of many images. The heroes of the film are ordinary people who meet their requirements for eternal questions: what is being, what is happiness, what does it mean to love your homeland. Their strength lies in the ability to do their job every day, not to lose heart and always believe in the best.
