# ALEXANDER I

RUSSIA 1

Ekaterina II leaves the throne to her beloved grandson, Alexander. Yet he passes the crown to its rightful heir - his father, Emperor Paul I. Four years later, Paul is murdered in his own bedchamber.

From that night on, Alexander's fate is sealed. Power falls into his hands, along with the burden of ruling a vast and restless empire. Palace plots tighten around him, enemies whisper in the shadows, deadly threats follow him, and love becomes as dangerous as politics.

But destiny has chosen Alexander for an even greater trial: to confront Napoleon and defend his country in a war that will change the future of Europe and the Russian Empire.

# SISTERS

RUSSIA 1

This is an emotional family drama set between two cultures.

Twin sisters, separated by fate, grew up worlds apart – one in Russia, the other in Turkey. They look almost identical but know very little about each other. A chance meeting in Istanbul and a playful idea to swap places turn their lives upside down.

A tangled web of love and lies provokes dramatic twists that eventually affect both families. The clash of languages, traditions, and mindsets – brought to life by powerful performances from Russian and Turkish actors – gives the story a unique atmosphere and a sharp, gripping tension.

RUSSIA К

For thousands of years, Eskimo, Udege, Ulchi, Chukchi and other communities have lived along the coasts and riverbanks. With the boat at the center of their lives, they have passed the craft of building it from generation to generation.

Boat types vary from one community to another: the cargo baidara made from walrus skin, lightweight birchbark boats, the carved wooden omorochka and the ugda, a traditional boat decorated with ornamentation. The documentary captures every stage of their creation, from selecting the right tree or hunting a walrus to launching the boat into the water.

# THE WAY

It's a place of silence and snow, fierce winds and bitter cold. A place where the ice is both beautiful and dangerous.

This is the Arctic – edge of the Earth, where the soul meets the cosmos. These distant lands have been attracting brave and curious dreamers for hundreds of years. It is a place of great discoveries, where triumph and tragedy are never far apart. This is where the Northern Sea Route took shape – and where the story of a nation was written in ice.

*In The Way*, past and present collide. Today's heroes – the captains and crews of powerful nuclear icebreakers – head out on their journeys just like those before them, not knowing what lies ahead or what challenges the long Arctic route may bring.

RUSSIA 1

This documentary offers a rare opportunity to see modern Russia through the eyes of its President. In an exclusive interview, Vladimir Putin shares his personal thoughts on the fate of Russia, its place in the world, and the key events that have shaped the direction of the past 25 years.

Filmed inside his private Kremlin residence — a place usually off-limits to cameras — the film reveals spaces never before shown to the public: his library, gym, kitchen, and private chapel. Here, over a glass of kefir, the president speaks about global political challenges, the state of society, power succession, and the deeper meaning behind it all. A film about leadership, identity, and the price the country pays for the right to follow its own path.

| 5x39’ |

Syria is an archaeological gem and the heart of civilization, where Judaism, Christianity, and Islam intersect. However, military actions in the country put basalt Bosra, Maaloula’s cave city, limestone Saidnaya, and the eternal capital of the Middle East, Damascus, on the brink of total disappearance. To preserve the priceless heritage sites, Syrian and Russian experts collaborated on extensive restoration and started creating 3D models of the ancient cities. It is the only opportunity to witness their original form. Along with the filmmakers, audiences follow the footsteps of Adam and Eve, unveil historical enigmas and explore great richness of Syria’s diverse cultural legacy.

# THE HIGHEST POINT

The space fascinates people since ancient times. They created air balloons, airships and planes to approach the unknown… But the first human space flight was a game changer. Only after breaking out of Earth's gravity, people were able to see our beautiful planet from the highest point. The solar wind, sub-saharan fresh water resources, marine phytoplankton, which produces up to 90% of the planet's oxygen, are only a few striking discoveries that were revealed with the beginning of the space age.

# APOLLO-SOYUZ: FORCE OF ATTRACTION

The story of the legendary "handshake in space" – the docking of a US Apollo spacecraft with a Soviet Soyuz capsule in 1975. The event took place at the height of the Cold War between the USSR and the USA. The friendly handshake of the crew captains Aleksei Leonov and Thomas Stafford in space was a sign of the future improvement of the political climate on Earth.

Nearly half a century later the "APOLLO-SOYUZ" project remains a landmark in the history of astronautics, while the life of its participants is an example of true friendship, duty, loyalty towards the chosen path, and inconceivable love for Space.

# UKRAINE TODAY

The Donbas and Luhansk Region are areas of Ukraine with Russian-speaking population. In 2014, with growth of anti-Russian agenda, Ukraine started a war against its own people. Bombarding homes, schools, and hospitals, the militaries were showing no mercy to women, elders and children. Thousands of people died during the 8-year cruel purge. The locals heroically fought back and Russia could not stand aside. On 24 February 2022, a special military operation to denazify and demilitarize Ukraine was started.

## DONBAS 1x78’

Donbas is a Russian-speaking region in the east of Ukraine. A few years ago nobody had heard of this coal mining district, but 2022 changed it all.

It actually started much earlier, when Ukrainian SSR declared its independence in 1991.

## THE PAIN OF DONBAS 1x78’

The film gives an honest and heart-wrenching look at the situation in the hottest spot of today.

## MARIUPOL 1x68’

Mariupol is a city in southeastern Ukraine. After 2014 coup, it became the center of revolt against new government. The protests were suppressed by the military unit of the National Guard of Ukraine, the Azov Battalion. Led by Nazi ideology, they were killing Russian-speaking civilians regardless of their nation. Ukrainians, Russians or Jews – it didn’t matter to them.

## NOVOROSSIYA 1x76’

Providing real historical facts and evidence, the film explains causes and consequences of the processes taking place in Ukraine now.

## DENAZIFICATION 1x57’

After the fall of the Soviet Union, Ukraine aimed to create its own state and national identity. Armed with the nationalists’ slogan “Ukraine above all” copied from Nazi “Deutschland uber alles”, Ukrainian elite consistently implemented national superiority principle and hatred towards those who didn’t support the anti-Russian course. They were proclaimed subhumans and doomed to be destroyed morally and even physically.

## SECRET WAR AGAINST THE WORLD 1x84’

Biological weapons are strictly banned globally due to causing horrendous suffering and affecting whole populations. To prevent global catastrophe, 182 countries signed the 1972 Biological Weapons Convention. And although the US had ratified the treaty, they rejected the 2001 verification protocol that allowed the authorities to not comply with its terms.

## REPORTERS OF WAR

In November 2023, war correspondent Boris Maksudov was killed by a drone strike in Zaporizhzhia while covering the situation in Ukraine. Like all war journalists, he knew that each report could be his last. “If you want to tell about heroism, the horrors and challenges of war, grab a microphone,” said Maxim.

War reporters share trenches with soldiers, hide from the bombs, witness horrifying scenes, and confront death every day. They are always at the front lines to tell the truth when duty calls. But despite the deadly danger and risk, these brave people truly believe it is “the best job in the world.”

# THE CINEMATIC JOURNEY OF MARLEN KHUTSIEV

Stepping into the world of the renowned director, the documentary dives into the depths of his life through the lens of art. Beyond a traditional biography, the film unfolds the story of how he crafted and developed his unforgettable film techniques and ideas. Khutsiev's distinctive cinematic language intimately connects with the essence of the great director himself.
A man of restlessness and contradiction, Khutsiev maintained a vibrant curiosity and a unique perspective on the world until his later years. Much like celebrated Italian directors such as Bertolucci, Antonioni, Fellini, and iconic French figures like Cocteau and Godard, his films continue being highly significant in the contemporary cinematic landscape.

# FATHER PYOTR

RUSSIA 24

This is the story of an ordinary Orthodox priest, known simply as "Father" in the region of Ukraine torn by war.

Father Pyotr is a spiritual guide and peacemaker who believes that true borders lie not on maps, but in people's hearts.

He can't stop the conflict, but he does everything he can to support those who suffer – both civilians and soldiers on the front line. He gathers humanitarian aid, builds little chapels in the trenches, baptizes and gives communion to soldiers, and prays for their lives.

He even prays for the enemies, hoping they remember that before God all are equal – Muslims, Jews, Buddhists, and Christians.
